Registered Shareholders who wish to appoint a proxyholder are required to complete, date and execute the form of proxy and submit to Computershare either in person, or by mail or courier, to 320 Bay Street, 14th Floor, Toronto, ON M5H 4A6, Canada, or via the internet at www.investorvote.com. After submitting the form of proxy, as an additional and required step, Registered Shareholders will need to register their proxyholders with Computershare at <http://www.computershare.com/SigmaLithium> no later than 11:00 a.m. (Toronto time) on June 26, 2026 and provide Computershare with their proxyholder's contact information at the “Appointee Information” section on the website indicated above, so that Computershare may provide the proxyholder with an Invite Code via email.

An intermediary holding common shares on behalf of a Non-Registered Shareholder has the right to appoint the Non-Registered Shareholder as a proxyholder to attend and act on their behalf at the Meeting. After submitting the Non-Registered Shareholder voting instruction form, the intermediary must register the Non-Registered Shareholder with Computershare at <http://www.computershare.com/SigmaLithium> to receive the Invite Code that will enable the Non-Registered Shareholder to participate actively at the Meeting, voting, and asking questions. **Non-Registered Shareholders should carefully follow the instructions contained in the section “Proxy Information” of the Circular.**

FAILURE TO REGISTER THE PROXYHOLDER WITH COMPUTERSHARE WILL RESULT IN THE PROXYHOLDER NOT RECEIVING AN INVITE CODE TO PARTICIPATE IN THE MEETING. WITHOUT AN INVITE CODE, PROXYHOLDERS WILL NOT BE ABLE TO VOTE AT THE MEETING.

Shareholders are reminded to review the Circular before voting.

PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies is made on behalf of the management of the Corporation. The costs incurred in the preparation of the Form of Proxy, the Notice of Meeting and this Circular, and costs incurred in the solicitation of proxies, will be borne by the Corporation.

Solicitation of proxies will be primarily by mail, but may also be in person, by telephone or by electronic means as detailed bellow. Pursuant to National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“NI 54-101”), arrangements have been made with clearing agencies, brokerage houses and other financial intermediaries to forward proxy solicitation material to the beneficial owners of Common Shares.

Appointment of Proxyholder – Step I

Registered Shareholders or Intermediaries will receive a paper copy of a form of proxy (“**Form of Proxy**”) jointly with the Meeting Materials and Non-Registered Shareholder will receive a voting instruction form to be provided to the Intermediary jointly with the Meeting Materials.

A Registered Shareholder not available to attend the Meeting, or an Intermediary holding Common Shares on behalf of a Non-Registered Shareholder can appoint a person, who need not be a shareholder, to attend and act on their behalf at the Meeting (a “**Proxyholder**”). They may vote and indicate a Proxyholder by submitting to Computershare the Form of Proxy in one of the following forms:

- in person, by delivering the completed, dated and signed Form of Proxy to Computershare at 320 Bay Street, 14th Floor, Toronto, ON M5H 4A6, Canada ,
- by mail or courier, submitting the completed, dated and signed Form of Proxy to Computershare at 320 Bay Street, 14th Floor, Toronto, ON M5H 4A6, Canada ,
- via the internet at www.investorvote.com, using the 15-digit Control Number located at the bottom of their Form of Proxy, or
- by telephone at 1-866-732-VOTE (8683) Toll Free, using the 15-digit Control Number located at the bottom of their Form of Proxy.

The Form of Proxy must be deposited with Computershare by no later than 11:00 a.m. (Toronto time) on June 26, 2026, or if the Meeting is adjourned or postponed, not less than 48 hours, excluding Saturdays, Sundays and statutory holidays, before the commencement of such adjourned or postponed Meeting.

Voting by mail or by Internet are the only methods by which a Shareholder may appoint a person as a Proxyholder other than the Management Nominees (as defined below).

If a Registered Shareholder has submitted to Computershare the Form of Proxy and then decides to attend the Meeting via the webcast, when entering the meeting online the Registered Shareholder will need to accept the “Terms and Conditions” and any votes cast by such Registered Shareholder on a ballot will be counted and the submitted Form of Proxy will be disregarded.

Registration of the Proxyholder with Computershare – Step II

After submitting the Form of Proxy, as an additional and required step, Registered Shareholders or Intermediaries holding Common Shares on behalf of a Non-Registered Shareholder will need to register their Proxyholder with Computershare at <http://www.computershare.com/SigmaLithium> no later than 11:00 a.m. (Toronto time) on June 26, 2026 and provide Computershare with their Proxyholder’s contact information at the “Appointee Information” section on the website indicated above, so that Computershare may provide the Proxyholder with an Invite Code via email.

FAILURE TO REGISTER THE PROXYHOLDER WITH COMPUTERSHARE WILL RESULT IN THE PROXYHOLDER NOT RECEIVING AN INVITE CODE TO PARTICIPATE IN THE MEETING. WITHOUT AN INVITE CODE, PROXYHOLDERS WILL NOT BE ABLE TO VOTE AT THE MEETING.

Completion of the Form of Proxy

The Form of Proxy affords Registered Shareholders or Intermediaries an opportunity to specify that the Common Shares registered in their name shall be voted for or against or withheld from voting in respect of certain matters as specified in the Notice of Meeting. The persons named in the Form of Proxy are directors of the Corporation (the “**Management Nominees**”).

A REGISTERED SHAREHOLDER OR AN INTERMEDIARY HOLDING COMMON SHARES ON BEHALF OF A NON-REGISTERED SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON, WHO NEED NOT BE A SHAREHOLDER, TO ATTEND AND ACT ON THEIR BEHALF AT THE MEETING, IN THE PLACE OF THE PERSONS DESIGNATED IN THE FORM OF PROXY FURNISHED BY THE CORPORATION. TO EXERCISE THIS RIGHT, THE REGISTERED SHAREHOLDER OR INTERMEDIARY SHOULD STRIKE OUT THE NAMES OF THE PERSONS NAMED IN THE FORM OF PROXY AND INSERT THE NAME OF THEIR PROXYHOLDER IN THE BLANK SPACE PROVIDED, OR SUBMIT ANOTHER APPROPRIATE PROXY.

A Form of Proxy must be dated and signed by the Registered Shareholder or by their attorney authorized in writing or by the Intermediary. In the case of a Shareholder that is a corporation, the Form of Proxy must be executed under its corporate seal or signed by a duly authorized officer or attorney for the corporation with proof of authority accompanying the Form of Proxy.

Revocation of a Submitted Form of Proxy

A Registered Shareholder or Intermediary who has submitted a Form of Proxy may revoke it by instrument in writing executed by the Registered Shareholder or Intermediary or his or her attorney authorized in writing, or, if the Shareholder is a corporation, under its corporate seal and executed by a director, officer or attorney thereof duly authorized, and deposited either with the Corporation at its offices as aforesaid at any time prior to the close of business on the second last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used, or with the Chairman of the Meeting prior to the commencement of the Meeting on the day of the Meeting, and upon such deposit the previous proxy is revoked.

Exercise of Discretion by Proxyholders

A Registered Shareholder or Intermediary may indicate the manner in which the persons named in the Form of Proxy are to vote with respect to any matter by checking the appropriate space. On any poll, those persons will vote for or against (or withhold from voting) the Common Shares in respect of which they are appointed in accordance with the directions, if any, given in the Form of Proxy. If the Shareholder or Intermediary wishes to confer a discretionary authority with respect to any matter, the space should be left blank. **IN SUCH INSTANCE, THE PERSONS NAMED IN THE ENCLOSED FORM OF PROXY INTEND TO VOTE THE COMMON SHARES REPRESENTED BY THE PROXY IN FAVOUR OF THE MOTION.**

The Form of Proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. At the time of printing of this Circular, management of the Corporation knows of no such amendment, variation or other matter. However, if any other matters which are not now known to management should properly come before the Meeting, the proxies in favour of Management Nominees will be voted on such matters in accordance with the best judgment of the Management Nominees.

Advice to Non-Registered Shareholders

Further to the details above under the heading “**Attending and Voting at the Meeting**”, only Registered Shareholders, or the persons they appoint as their proxies, are permitted to attend and vote at the Meeting. However, in many cases, Common Shares beneficially owned by a Non-Registered Shareholder are registered either:

- (a) in the name of an Intermediary that the Non-Registered Shareholder deals with in respect of the Common Shares, such as, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered registered savings plans, registered retirement income funds, registered education savings plans and similar plans; or
- (b) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc.) of which the Intermediary is a participant.

In accordance with the requirements of NI 54-101, the Corporation has distributed copies of the Notice of Meeting, this Circular, the Form of Proxy or a voting instruction form and a supplemental mailing card (collectively, the “**Meeting Materials**”) to the clearing agencies and Intermediaries for onward distribution to Non-Registered Shareholders.

Intermediaries are required to forward the Meeting Materials to Non-Registered Shareholders unless a Non-Registered Shareholder has waived the right to receive them. Intermediaries will generally use service companies (such as Broadridge Financial Solutions, Inc.) to forward the Meeting Materials to Non-Registered Shareholders. Generally, a Non-Registered Shareholder who has not waived the right to receive Meeting Materials will receive either a voting instruction form or, less frequently, a Form of Proxy. The purpose of these forms is to permit Non-Registered Shareholders to direct the voting of the Common Shares they beneficially own. Non-Registered Shareholders should follow the procedures set out below, depending on the type of form they receive:

- (1) **Voting Instruction Form.** In most cases, a Non-Registered Shareholder will receive, as part of

the Meeting Materials, a voting instruction form. If the Non-Registered Shareholders does not wish to attend and vote at the Meeting in person (or have another person attend and vote on the Non-Registered Shareholder's behalf) but wishes to direct the voting of the Common Shares they beneficially own, the voting instruction form must be submitted by mail, telephone or over the internet in accordance with the directions on the form. If a Non-Registered Shareholder wishes to attend and vote at the Meeting in person (or have another person attend and vote on the Non-Registered Shareholder's behalf), the Non-Registered Shareholder must complete, sign and return the voting instruction form in accordance with the directions provided and a form of proxy giving the right to attend and vote will be forwarded to the Non-Registered Shareholder; or

- (2) *Form of Proxy.* Less frequently, a Non-Registered Shareholder will receive, as part of the Meeting Materials, a Form of Proxy that has already been signed by the Intermediary (typically by facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Shareholder, but which is otherwise uncompleted. If the Non-Registered Shareholder does not wish to attend and vote at the Meeting in person (or have another person attend and vote on the Non-Registered Shareholder's behalf) but wishes to direct the voting of the Common Shares they beneficially own, the Non-Registered Shareholder must complete the Form of Proxy and submit it to Computershare as described above. If a Non-Registered Shareholder wishes to attend and vote at the Meeting in person (or have another person attend and vote on the Non-Registered Shareholder's behalf), the Non-Registered Shareholder must strike out the persons named in the proxy and insert the Non-Registered Shareholder's (or such other person's) name in the blank space provided.

In either case, Non-Registered Shareholders should carefully follow the instructions of their Intermediaries, including those regarding when and where the Form of Proxy or the voting instruction form is to be delivered.

A Non-Registered Shareholder may revoke a voting instruction form or a waiver of the right to receive Meeting Materials and to vote given to an Intermediary at any time by written notice to the Intermediary, except that an Intermediary is not required to act on a revocation of a voting instruction form or of a waiver of the right to receive materials and to vote that is not received by the Intermediary at least seven days prior to the Meeting.

A Non-Registered Shareholder may fall into two categories – those who object to their identity being made known to the issuers of the securities which they own (“**Objecting Beneficial Owners**”) and those who do not object to their identity being made known to the issuers of the securities which they own under NI 54-101 (“**Non-Objecting Beneficial Owners**”). The Corporation is not sending Meeting Materials directly to Non-Objecting Beneficial Owners, but rather is relying on Intermediaries and agents to send the Meeting Materials. The Corporation also intends to pay for Intermediaries to deliver the Meeting Materials to Objecting Beneficial Owners.

If you have any questions respecting the voting of Common Shares held through an Intermediary, please contact that Intermediary for assistance.

VOTING OF COMMON SHARES AND PRINCIPAL HOLDERS THEREOF

The Corporation is authorized to issue an unlimited number of Common Shares. As at the date hereof, there are **112,064,646** fully paid and non-assessable Common Shares issued and outstanding.

The current By-laws of the Corporation provide that a quorum for the purposes of conducting a meeting of the Shareholders is two persons present holding or representing by proxy an aggregate of at least 25% of the outstanding Common Shares entitled to vote at the Meeting. Any Registered Shareholder at the close of business on May 26, 2026, being the Record Date, who either virtually attends the Meeting or who completes and delivers a Form of Proxy will be entitled to vote or have their Common Shares voted at the Meeting. However, a person appointed under a Form of Proxy will be entitled to vote the Common Shares represented by that form only if it is effectively delivered in the manner set out under the heading “**Proxy Information**” above.

To the best of the knowledge of the directors and executive officers of the Corporation, as at the date hereof, only the following beneficially owned, directly or indirectly, or exercised control or direction over, voting securities of the Corporation carrying more than 10% of the voting rights attached to the Common Shares of the Corporation:

Note:

- (1) A10 Investimentos Ltda. (“**A10 Investimentos**”) is the portfolio manager of A10 Fund and has the voting decision regarding the holdings of A10 Fund.

MATTERS TO BE ACTED UPON

At the Meeting, the Shareholders will be asked to consider and, if deemed appropriate:

- to receive the financial statements of the Corporation for the fiscal year ended December 31, 2025 together with the report of the auditors thereon;
- to fix the number of directors of the Corporation for the ensuing year at five (5);
- to elect the directors of the Corporation for the ensuing year;
- to appoint the auditors of the Corporation to hold office until the next annual meeting of the Shareholders and authorize the directors to fix their remuneration; and
- to transact such other business as may properly come before the Meeting or any adjournments thereof.

Additional detail regarding each of the matters to be acted on at the Meeting is set out below.

FIX NUMBER OF DIRECTORS AT FIVE (5)

The Corporation proposes to set the size of the Board at five (5).

It is proposed that five (5) directors be elected at the Meeting and each will hold office until the next annual general meeting or until their successor is duly elected or appointed

ELECTION OF DIRECTORS

Action is to be taken at the Meeting with respect to the election of directors. The Shareholders will be asked to pass an ordinary resolution at the Meeting to elect as directors the nominees whose names are set forth in the table below. Each nominee elected will hold office until the next annual meeting of the Shareholders, or until his or her successor is duly elected or appointed, unless his or her office is vacated earlier in accordance with the Corporation’s articles.

Advance Notice Provisions

The By-laws of the Corporation contain a provision (the “**Advance Notice Provision**”) that requires advance notice be given to the Corporation in circumstances where nominations of persons for election to the Board are made by Shareholders. To be timely, a Shareholder’s notice to the secretary of the Corporation must be made (a) in the case of an annual meeting of Shareholders, not less than thirty (30) nor more than sixty-five (65) days prior to the date of the annual meeting of Shareholders; provided, however, that in the event that the annual meeting of Shareholders is called for a date that is less than fifty (50) days after the date (the “**Notice Date**”) on which the first public announcement of the date of the annual meeting was made, notice by the Shareholder may be made not later than the close of business on the tenth (10th) day following the Notice Date; and (b) in the case of a special meeting (which is not also an annual meeting) of Shareholders called for the purpose of electing directors (whether or not called for other purposes), not later than the close of business on the fifteenth (15th) day following the day on which the first public announcement of the date of the special meeting of Shareholders was made. Notwithstanding the foregoing, the Board may, in its sole discretion, waive any requirement above.

Additionally, the Advance Notice Provision sets forth the information that a Shareholder must include in the notice to the Corporation, and establishes the form in which the Shareholder must submit the notice for that notice to be in proper written form.

The Corporation filed a notice of meeting and record date on SEDAR+ in May 4, 2026. As at the date hereof, no nominations for directors were received in accordance with the Advance Notice Provision described above.

The following information relating to the nominees as directors is based partly on the records of the Corporation and partly on information received by the Corporation from the respective nominees, and sets forth the name, age and municipality of residence of the persons proposed to be nominated for election as directors, all other positions and offices within the Corporation now held by them, their principal occupations or employments, the periods during which they have served as directors of the Corporation and the approximate number of Common Shares beneficially owned, directly or indirectly, or over which control or direction is exercised by each of them as at the date hereof.

EXECUTIVE COMPENSATION

The following provides information regarding all significant elements of compensation paid, payable, granted, given or otherwise provided by the Corporation to:

- Ana Cristina Cabral (the Corporation's Current Co-Chair and Chief Executive Officer); Felipe Resende Peres (the Corporation's Current Chief Financial Officer); Rogério Marchini (the Corporation's Former Chief Financial Officer); (together, the **"Named Executive Officers"**); and
- the directors of the Corporation that are not Named Executive Officers.

Compensation Discussion and Analysis

Introduction

The purpose of this compensation discussion and analysis is to describe the significant elements of the Corporation's executive compensation program, with particular emphasis on the process for determining compensation payable to the Named Executive Officers, and to the directors of the Corporation.

While there is no present intention to make any material changes to the executive compensation program described in this section, the Board may review the executive compensation program and, if determined appropriate, may make changes they consider appropriate.

Compensation Philosophy and Objectives

The executive compensation program is designed to attract and retain qualified and experienced executives who will contribute to the success of the Corporation. The Corporation designed its executive compensation program for senior executive officers to encourage, compensate and reward employees on the basis of individual and corporate performance, and to align the interests of executive officers with the interest of Shareholders. Senior executive officers will be motivated through the program to enhance long-term Shareholder value.

Elements of Compensation

The Board, acting on the recommendation of the People & Governance Committee, has implemented a compensation structure intended to align the interests of the executive officers with those of the Shareholders. The Corporation relies primarily on discussions between the People & Governance Committee and the Board to determine compensation. The executive compensation program consists of two components: (i) base compensation, and (ii) a long-term compensation component in the form of Awards under the equity incentive plan approved by Shareholders at the annual and special meeting

of the Corporation held on June 30, 2023 (the “**Equity Incentive Plan**”). Both components are determined and administered by the Board.

The Corporation does not offer a pension or deferred compensation plan.

Base Compensation

Base compensation for the senior executive officers is set annually, having regard to the individual’s job responsibilities, contribution, experience and proven or expected performance, as well as to market conditions and the Corporation’s cash position. In setting base compensation levels, consideration is given to such factors as level of responsibility, experience and expertise. Subjective factors such as leadership, commitment and attitude are also considered. Base salaries are set with the goal of being competitive with corporations of a comparable size and at the same stage of development, thereby enabling the Corporation to compete for and retain executive officers critical to the Corporation’s long-term success.

Awards and Other Long-Term Compensation

To provide a long-term component to the executive compensation program, certain executive officers, directors, consultants, and employees have been and will be granted Options and/or RSUs under the Equity Incentive Plan. The maximization of shareholder value is encouraged by granting long-term equity incentives in the form of Options and/or RSUs under the Equity Incentive Plan. Consideration is given to distributing long-term equity incentives amongst the various organizational levels including directors, officers, consultants, and employees. The Chief Executive Officer makes recommendations for the Chief Financial Officer and other key employees. These recommendations take into account factors such as Awards made in previous years, the number of long-term equity incentives outstanding per individual and the level of responsibility.

Performance Graph

The following table and graph compare the cumulative total shareholder return for CAD\$100 invested in Common Shares on December 31, 2017, against the cumulative total shareholder return of the S&P/TSX Venture Composite Index.

	2017	2018	2019	2020	2021	2022	2023	2024	2025
Sigma Lithium Corporation	100.00	109	115	176	765	2,240	2,549	946	1,061
S&P/TSX Venture Composite Index	100.00	90	107	109	133	121	131	155	256

As demonstrated above, the market price of the Common Shares outperformed the S&P/TSX Venture Composite Index over the applicable period. The Corporation’s share performance over the applicable period was influenced by the state of lithium markets and prices. The trend in overall compensation paid to the Corporation’s executive officers over the past three years has generally reflected the

performance of the market price of the Common Shares or the S&P/TSX Venture Composite Index. The value of long-term incentive compensation in the form of Awards is influenced by the Common Share price performance.

Share-Based and Option-Based Awards

To provide a long-term component to the executive compensation program, certain executive officers, directors and consultants have been and will be granted Options and/or RSUs under the Equity Incentive Plan. Individual grants are determined by an assessment of an individual's current and expected future performance, level of responsibilities and the importance of the position and contribution to the Corporation. In addition to these assessments, previous grants are considered when the People & Governance Committee and/or the Board analyzes the possibility of new grants to eligible Participants under the Equity Incentive Plan. Subject to adjustment in certain circumstances as discussed below, the Equity Incentive Plan (together with all other security-based compensation plans of the Corporation) authorizes a maximum of 18,120,878 Common Shares (being 18% of the issued and outstanding Common Shares at the time of approval of the Equity Incentive Plan) that are issuable to Participants and that may be subject to Awards.

Compensation Governance

The People & Governance Committee (formerly, the Corporate Governance, Nomination and Compensation Committee) of the Board reviews and makes recommendations to the Board concerning the compensation of the Corporation's directors, officers and employees, which includes the review of the Corporation's executive compensation and other human resource philosophies and policies, the review and administration of the Corporation's bonuses and Awards, the review of and recommendations regarding the performance of the Chief Executive Officer and preparing and submitting a report for inclusion in annual continuous disclosure documents as required. The current members of the People & Governance Committee are Marcelo Paiva (Chair, non-independent), Kátia Abreu (independent) and Junaid Jafar (independent). See **"Election of Directors – Director Nominees"**.

Since compensation practices can have unintended risk consequences, the Board reviews its compensation policies to identify any practice that might encourage an employee to expose the Corporation to unacceptable risks. It is not believed that the compensation program encourages excessive or inappropriate risk taking as: (i) employees receive both fixed and variable compensation, and the fixed (salary) portion provides a steady income regardless of the stock value, which allows employees to focus on the Corporation's business; and (ii) the long-term equity incentives encourage a long-term perspective due to the vesting provisions of the Awards. There is no current intention to implement a policy which prohibits any Named Executive Officer or director from purchasing financial instruments designed to hedge or offset a decrease in market value of equity securities granted as compensation.

Each committee member has the skills and experience to enable the People and Governance Committee to make decisions on the suitability of the Corporation's compensation policies and practices. The Corporation believes that the members of the People & Governance Committee collectively have the knowledge, experience and background required to fulfill their mandate. Such knowledge, experience and background enable them to make decisions regarding the sustainability of the Corporation's compensation policies and practices.

The Corporation did not retain a compensation consultant or advisor since the beginning of the most recently completed financial year.

A summary of the corporate governance practices of the Corporation can be found under the heading **"Corporate Governance Practices"**.

Notes:

(1) Calculated based upon 806,735 RSUs and 128,125 Options being issued and outstanding as at the date hereof.

(2) The maximum number of Common Shares that are issuable to Participants that may be subject to Awards under the Equity Incentive Plan and all other security-based compensation plans of the Corporation is 18,120,878 (being 18% of the issued and outstanding Common Shares at the time of establishing the Equity Incentive Plan).

Summary of Equity Incentive Plan

The Equity Incentive Plan is available to *bona fide* (i) directors of the Corporation, (ii) officers, consultants and employees of the Corporation and its subsidiaries and (iii) designated service providers who spend a significant amount of time and attention on the affairs and business of the Corporation or a subsidiary thereof (each, a “**Participant**”), all as selected by the Board or a committee appointed by the Board to administer the Equity Incentive Plan (the “**Plan Administrators**”).

The objective of the Equity Incentive Plan is to encourage increased long term equity participation in the Corporation by Participants. The Equity Incentive Plan is intended to facilitate long term ownership of Common Shares by Participants and to provide Participants with additional incentives by increasing their interest, as owners, in the Corporation. As well, it is believed that the Equity Incentive Plan will encourage Participants to remain with the Corporation, and will also attract new employees to the Corporation.

Awards

Awards granted under the Equity Incentive Plan may consist of options to acquire Common Shares (“**Options**”) and restricted share units (“**RSUs**”, and together with Options, “**Awards**”). Each Award will be subject to the terms and conditions set forth in the Equity Incentive Plan and to those other terms and conditions specified by the Plan Administrators and memorialized in a written award agreement. Previous grants of Awards will be taken into account as part of the process when considering new grants, as well as the performance of the Corporation and its subsidiaries and the individual performance of the Participant in question.

Shares Subject to the Incentive Plan; Outstanding Awards

Subject to adjustment in certain circumstances as discussed below, the Equity Incentive Plan (together with all other security-based compensation plans of the Corporation) authorizes a maximum of 18,120,878 Common Shares (being 18% of the issued and outstanding Common Shares at the time of approval of the Equity Incentive Plan) that are issuable to Participants and that may be subject to Awards. The maximum number of Common Shares under all combined security-based compensation plans of the Corporation will not change.

Unless the Corporation has obtained the necessary approvals required by the TSXV, within any one year period, no Participant may be the grantee of Awards with respect to more than 5% of the then issued and outstanding Shares, unless disinterested shareholder approval is obtained. In addition, (i) the number of Shares issuable to Insiders (as a group), at any time, pursuant to the Plan and any other Security Based Compensation Plan adopted by the Corporation, cannot exceed 10% of the then issued and outstanding Shares, unless disinterested shareholder approval is obtained; (ii) the number of

Shares issued to Insiders (as a group), within any one year period, under the Plan and any other Security Based Compensation Plan adopted by the Corporation cannot exceed 10% of the then issued and outstanding Shares, unless disinterested shareholder approval is obtained; (iii) the number of Shares issued to any one Service Provider, within any one year period, under the Plan and any other Security Based Compensation Plan adopted by the Corporation cannot exceed 2% of the then issued and outstanding Shares; (iv) the number of Shares issued to all Participants retained to provide Investor Relations Activities (as defined in the policies of the TSXV) to the Corporation, within any one year period, under the Plan and any other Security Based Compensation Plan adopted by the Corporation cannot exceed 2% of the then issued and outstanding Shares; and (v) the number of Shares issued to any one Consultant, within any one year period, under the Plan and any other Security Based Compensation Plan adopted by the Corporation cannot exceed 2% of the then issued and outstanding Shares. Participants retained to provide Investor Relations Activities shall only be eligible to be granted Awards in the form of Options.

If, and to the extent, Awards granted under the Equity Incentive Plan expire, terminate, are cancelled, or are forfeited for any reason without having been exercised in full, the Common Shares associated with those Awards will again become available for grant under the Equity Incentive Plan.

In the event of any recapitalization, reorganization, arrangement, amalgamation, split or combination, distribution or other similar event or transaction, or any other change in the capital of the Corporation affecting the Common Shares, substitutions or adjustments will be made by the Plan Administrators in their discretion to: (i) the aggregate number, class and/or issuer of the securities reserved for issuance under the Equity Incentive Plan (including, but not limited to, with respect to the aggregate number of Awards any one Participant may be granted during any period); (ii) the number, class and/or issuer of securities subject to outstanding Awards; and (iii) the exercise price of outstanding Awards, in each case in a manner that reflects equitably the effects of such event or transaction.

Administration

The Equity Incentive Plan is administered and interpreted by the Plan Administrators. The Plan Administrators have full authority to grant Awards under the Equity Incentive Plan and determine the terms of such Awards, including the persons to whom Awards are to be granted, the type and number of Awards to be granted and the number of Common Shares to be covered by each Award. The Plan Administrators also have full authority to specify the time(s) at which Awards will be exercisable or settled.

Eligibility

Directors, officers and employees of the Corporation and its subsidiaries and designated service providers who spend a significant amount of time and attention on the affairs and business of the Corporation or a subsidiary thereof are eligible to participate in the Incentive Plan.

Options

The Equity Incentive Plan provides that the Plan Administrators may grant Options. Any Options granted under the Equity Incentive Plan will have a maximum term of ten years and will be exercisable at a price not less than the Fair Market Value of a Common Share. “**Fair Market Value**” for purposes of the Equity Incentive Plan means, as of any date: (i) if the Common Shares are not then publicly traded, the fair market value of a Common Share on the day immediately preceding such date, as determined by the Plan Administrators in their sole and absolute discretion; or (ii) if the Common Shares are publicly traded, the volume weighted average trading price of the Common Shares for the ten trading days immediately preceding such date on the TSXV or the principal securities exchange on which the majority of the trading in the Common Shares occurs (provided that if such volume weighted average trading price is less than the Discounted Market Price (as such term is defined in the policies of the TSXV) as of such date, the Fair Market Value shall be the Discounted Market Price as of such date)) or, if the Common Shares are not then listed and posted for trading on the TSXV or any securities exchange, but are traded in the over-the-counter market, the volume weighted average trading price of the Common Shares for the ten trading days immediately preceding such date; provided that if there has not been at least five trading days in such period in which Common Shares have traded then for purposes of item (ii) the simple average of the mid points between the bid and ask prices for such ten

trading days for trading days in which there have been no trades and the volume weighted average trading prices for trading days in which there have been trades are to be used.

Initially, Options will vest, subject to the right of the Plan Administrators to determine at the time of grant that a particular Option will be exercisable in whole or in part on a different date and to determine at any time after the time of grant that a particular Option will be exercisable in whole or in part on an earlier date for any reason: (i) on and after the first anniversary of the date of grant, as to 20% of such Options; (ii) on and after the second anniversary of the date of grant, as to a further 20% of such Options; (iii) on and after the third anniversary of the date of grant, as to a further 20% of such Options; (iv) on and after the fourth anniversary of the date of grant, as to a further 20% of such Options; and (v) on and after the fifth anniversary of the date of grant, as to the remaining 20% of such Options. In addition, vesting of Options may be subject to performance tests at the discretion of the Plan Administrators. The vesting terms set out in the Equity Incentive Plan will supersede any other vesting terms previously proposed by the Corporation.

Notwithstanding the foregoing, the Equity Incentive Plan provides that in the event that the term of an Option expires during a “blackout period” imposed by the Corporation, the Option will expire on the date (the “**Blackout Expiration Date**”) that is ten business days following the end of the blackout period. The Blackout Expiration Date will not be subject to the discretion of the Plan Administrators.

Restricted Share Units

The Equity Incentive Plan provides that the Plan Administrators may grant Awards of RSUs. An RSU is a contractual promise to issue Common Shares and/or cash in an amount equal to the Fair Market Value of the Common Shares subject to the Award, at a specified future date. Each RSU will initially have a value equal to the Fair Market Value of a Common Share when the subject Award is made. Each RSU will represent the right to receive from the Corporation, after fulfillment of any applicable conditions, a distribution from the Corporation of either (i) one Common Share, or (ii) an amount in cash equal to the Fair Market Value of one Common Share on the date of distribution. Any RSUs under the Equity Incentive Plan will have a maximum term of ten years. Initially, RSUs will vest on and after the third anniversary of the date of grant, subject to the right of the Plan Administrators to determine at the time of grant that a particular RSU will be exercisable in whole or in part on a different date and to determine at any time after the time of grant that a particular RSU will be exercisable in whole or in part on an earlier date for any reason. In addition, vesting of RSUs may be subject to performance tests at the discretion of the Plan Administrators.

An Award of RSUs may be settled in Common Shares, cash, or in any combination of Common Shares and cash, at the sole discretion of the Plan Administrators when the subject Award is made.

Participants retained to provide Investor Relations Activities shall not be eligible to be granted RSUs.

Effects of Termination of Service

Unless otherwise permitted by the Board:

Death: If a Participant’s service terminates by reason of death, any Option or RSU held by such Participant will be immediately fully vested and exercisable and will only be exercisable for a period ending on the earlier of the applicable expiry date and 12 months following the date of death. In addition, exercisability of any Option or RSU which becomes vested as a result of the early vesting described in the preceding sentence will be conditional upon the Participant’s estate entering into an arrangement under which the Common Shares issued upon exercise of such Option or RSU, as applicable, may not be sold prior to the date on which the corresponding Option or RSU, as the case may be, would otherwise have vested in the ordinary course.

Retirement: In the event of the retirement of a Participant from employment, any Option or RSU held by such Participant will thereafter continue to vest and become exercisable in accordance with its terms and will only be exercisable for a period ending on the earlier of the applicable expiry date and 12 months following the date of retirement (or 30 days after the date such Participant ceases to be retired and is employed by a competitor of the Corporation).

Resignation/Natural Termination: In the event of the resignation of a Participant, or a Participant’s contract as a Service Provider (as defined in the Equity Incentive Plan) terminates at its normal termination date, any unvested Option or RSU held by such Participant will expire and terminate on the

date of resignation or the normal termination date in the case of a Service Provider, as applicable, and any vested Option or RSU will only remain exercisable for a period ending on the earlier of the applicable expiry date and 30 days following the date of resignation or the normal termination date, as applicable.

Disability: If a Participant's service terminates by reason of disability, any Option or RSU held by such Participant may thereafter be exercised by the Participant to the extent it was exercisable at the time of termination, for a period ending on the earlier of the applicable expiry date and 12 months following the date of termination by reason of disability. In addition, exercisability of any Option or RSU which becomes vested as a result of the early vesting described in the preceding sentence will be conditional upon the Participant or the Participant's legal representative, as applicable, entering into an arrangement under which the Common Shares issued upon exercise of such Option or RSU, as applicable, may not be sold prior to the date on which the corresponding Option or RSU, as the case may be, would otherwise have vested in the ordinary course.

Termination Without Cause: If a Participant's service as an employee is terminated without cause (as defined in the Equity Incentive Plan), or a Participant's contract as a Service Provider is terminated before its normal termination date without cause:

- (a) any vested Option or RSU will only remain exercisable for a period ending on the earlier of the applicable expiry date and six months following the date of termination;
- (b) such number of unvested RSUs held by such Participant as determined by the formula below will be immediately fully vested and exercisable and will only be exercisable by the Participant for a period ending on the earlier of the applicable expiry date and six months following the date of termination:

$$\begin{array}{l} \text{Number of unvested Restricted Share Units accelerated} \end{array} = \begin{array}{l} \text{Number of Restricted Share Units that would vest on the next vesting date following the date of termination} \end{array} \times \begin{array}{l} \text{Number of months from the last vesting date (or, if the next vesting date is the first vesting date, from the date of grant of the RSUs) to the date of termination} \\ \hline \text{Number of months from the last vesting date (or, if the next vesting date is the first vesting date, from the date of grant of the RSUs) to the next vesting date} \end{array}$$

- (c) such number of unvested Options held by such Participant as determined by the formula below will be immediately fully vested and exercisable and will only be exercisable by the Participant for a period ending on the earlier of the applicable expiry date and six months following the date of termination:

$$\begin{array}{l} \text{Number of unvested Options accelerated} \end{array} = \begin{array}{l} \text{Total number of unvested Options} \end{array} \times \begin{array}{l} \text{Number of months from the date of grant of the Options to the date of termination} \\ \hline \text{Number of months from the date of grant of the Options to the latest vesting date of the Options} \end{array}$$

Termination With Cause: If a Participant's service is terminated for cause, or a Participant's contract as a Service Provider is terminated before its normal termination date for cause: (i) any Option or RSU held by the Participant, whether vested or unvested, will immediately and automatically expire as of the date of such termination, and (ii) any Common Shares for which the Corporation has not yet delivered share certificates will be immediately and automatically forfeited and, in the case of Options, the Corporation will refund to the Participant the exercise price paid for such Common Shares, if any.

Ceasing to Hold Office: In the event that a Participant who is not an employee or Service Provider ceases to hold office as a director: (i) if it was the Participant's decision to cease to hold office, the provisions above related to resignation will apply; and (ii) otherwise, the provisions above related to termination without cause will apply.

Assignability

Except as may otherwise be specifically determined by the Plan Administrators with respect to a particular Award, Awards will not be assignable or transferrable by a Participant, other than by will or by the laws of descent or distribution.

Amendment and Termination of the Equity Incentive Plan

The Plan Administrators have the ability, in their sole discretion, to amend, suspend or terminate the Equity Incentive Plan; provided that no such amendment, suspension, or termination may be made

without obtaining any required approval of any regulatory authority or stock exchange or materially prejudice the rights of any holder under any Award.

The Plan Administrators do not have the ability, without approval of the Shareholders, to make amendments to the Equity Incentive Plan for any of the following purposes:

- (a) to increase the maximum number of Common Shares that may be issued;
- (b) to reduce the exercise price of Options to less than the Fair Market Value;
- (c) to reduce the exercise price or extend the term of Options for the benefit of an insider of the Corporation (which shall require disinterested shareholder approval);
- (d) to extend the expiry date of Awards for the benefit of any Participant (including insiders of the Corporation);
- (e) to increase the maximum number of Common Shares issuable to insiders of the Corporation; or
- (f) to amend the amending provisions of the Equity Incentive Plan.

The Plan Administrators have the ability to, in accordance with the Equity Incentive Plan and subject to the receipt of any required regulatory approval, where required, in their sole discretion, make amendments to the Equity Incentive Plan including, but not limited to:

- (a) amendments of a technical, clerical, or "housekeeping" nature, or to clarify any provision;
- (b) termination of the Equity Incentive Plan;
- (c) amendments to respond to changes in legislation, regulations, stock exchange rules or accounting or auditing requirements;
- (d) amendments in respect of the vesting provisions of any Awards; and
- (e) amendments to the termination provisions of Awards granted under the Equity Incentive Plan that do not entail an extension beyond the original expiry date.

Change of Control

Upon or in anticipation of any change of control of the Corporation, the Plan Administrators have the ability, in their sole and absolute discretion and without the need for the consent of any Participant, to cancel any Award in exchange for a substitute award of a successor entity, cause all outstanding Options and Restricted Share Units to become vested and immediately exercisable upon completion of the Change in Control and cause all outstanding Options and Restricted Share Units to become vested and exercisable solely for the conditional purpose of tendering such Options (or the Shares issuable thereunder) or such Restricted Share Units to the Change in Control transaction. Substitute awards must have no less economic value, nor more stringent performance conditions, and similar vesting schedules as existing Awards. Notwithstanding the foregoing, any vested Options or RSUs will continue to be exercisable until the occurrence of the change of control.

A change of control for purposes of the Equity Incentive Plan means the occurrence of any of the following, in one transaction or a series of related transactions:

- (a) any person acquires beneficial ownership, directly or indirectly, of securities of the Corporation representing more than 50% of the voting power of the Corporation's then outstanding voting shares for the election of directors;
- (b) a consolidation, securities exchange, reorganization, arrangement or amalgamation of the Corporation resulting in its shareholders immediately prior to such event not owning at least a majority of the voting power of the resulting entity's securities outstanding immediately following such event;
- (c) the sale or other disposition of all or substantially all the assets of the Corporation;
- (d) a liquidation or dissolution of the Corporation; or
- (e) any similar event deemed by the Plan Administrators to constitute a change of control for the purposes of the Equity Incentive Plan.

CORPORATE GOVERNANCE PRACTICES

In accordance with National Instrument 58-101 *Disclosure of Corporate Governance Practices* ("NI 58-101") and National Policy 58-201 *Corporate Governance Guidelines* ("NP 58-201"), issuers are to disclose the corporate governance practices that they have adopted. NP 58-201 provides guidance on corporate governance practices. The Corporation is also subject to National Instrument 52-110 *Audit Committees* ("NI 52-110"), which has been adopted in each of the Canadian provinces and territories and which prescribes certain requirements in relation to audit committees.

The Board is responsible for the governance of the Corporation. The Board and the Corporation's management consider good corporate governance to be central to the effective and efficient operation of the Corporation. Below is a discussion of the Corporation's approach to corporate governance.

Board of Directors

The Board is currently composed of five directors, being Ana Cristina Cabral (Co-Chair), Marcelo Paiva (Co-Chair), Junaid Jafar, Alexandre Rodrigues Cabral, and Kátia Abreu. Three directors, being Junaid Jafar, Alexandre Rodrigues Cabral, and Kátia Abreu, are independent for the purposes of NI 58-101. Ana Cristina Cabral (as Chief Executive Officer) is not independent. Marcelo Paiva is not independent as a result of him being portfolio manager of A10 Fund (which owns more than 10% of the outstanding Common Shares) and a Managing Partner of A10 Investimentos. One of the directors, Kátia Abreu, participates on the board of directors of other reporting issuer, JBS Inc.

The Board exercises its independent supervision over the Corporation's management through a combination of formal meetings of the Board as well as informal discussions amongst the Board members. The independent directors also hold scheduled meetings at which non-independent directors and members of management are not in attendance. Where matters arise at Board meetings which require decision making and evaluation that is independent of management and interested directors, the meeting breaks into an *in-camera* session among the independent and disinterested directors. The Corporation believes these practices encourage independent director leadership.

The attendance record of each director for all Board and Committee meetings held during the fiscal year ended December 31, 2025, while the relevant director was on the Board is as follows:

Director	Board Meetings
Ana Cristina Cabral (Co-Chair)	8 of 8
Marcelo Paiva (Co-Chair)	8 of 8
Alexandre Rodrigues Cabral	8 of 8
Junaid Jafar	6 of 8 ⁽¹⁾
Kátia Abreu	N/A ⁽²⁾
Eugênio de Zagottis	7 of 8 ⁽²⁾
Bechara Azar	2 of 8 ⁽³⁾

Notes:

- (1) Junaid Jafar began their mandate as director of the Corporation on March 13th, 2025.
- (2) On January 13, 2026, Eugênio De Zagottis resigned from the Board and Ms. Kátia Abreu was subsequently appointed as a director of the Corporation.
- (3) Bechara Azar stepped down as director of the Corporation on March 13th, 2026.

Ethical Business Conduct

In establishing its corporate governance practices, the Board has been guided by applicable Canadian securities legislation and the guidelines of the TSXV for effective corporate governance, including NP 58-201. The Board is committed to a high standard of corporate governance practices. The Board believes that this commitment is not only in the best interests of its Shareholders, but that it also promotes effective decision making at the Board level.

The Corporation has adopted a Code of Business Conduct and Ethics that applies to all directors, officers, employees and consultants of the Corporation and its subsidiaries. A copy of the Code of Business Conduct and Ethics may be found on SEDAR+ at www.sedarplus.ca. The Board monitors compliance with the Code of Business Conduct and Ethics in accordance with the written procedures therein.

It is a requirement of applicable corporate law that directors who have an interest in a transaction or agreement with the Corporation promptly disclose that interest at any meeting of the Board at which the transaction or agreement will be discussed and abstain from discussions and voting in respect to same if the interest is material.

In addition to the Code of Business Conduct and Ethics, the Corporation has adopted a Whistleblower Policy.

Nomination of Directors and Compensation

The Board has responsibility for identifying potential Board candidates. The Board assesses potential Board candidates to fill perceived needs on the Board for required skills, expertise, independence and other factors. Members of the Board and representatives of the mining industry are consulted for possible candidates. In identifying potential candidates, the Board considers a number of factors, including, what competencies and skills the Board, as a whole, should possess, the appropriate size of the Board in order to facilitate effective decision making and the performance of individual directors. The People & Governance Committee of the Board reviews and makes recommendations to the Board concerning the nomination of directors of the Corporation and assesses directors on an ongoing basis. For the period ended on December 31, 2025, the People & Governance Committee of the Board consisted of Marcelo Paiva, Junaid Jafar and Eugênio de Zagottis (who resigned from the Board on January 13th, 2026, being replaced by Kátia Abreu). A majority of the members of the People & Governance Committee are independent.

The People & Governance Committee of the Board reviews and makes recommendations to the Board concerning the compensation of the Corporation's directors, officers and employees, which includes the review of the Corporation's executive compensation and other human resource philosophies and policies, the review and administration of the Corporation's bonuses and Awards, the review of and recommendations regarding the performance of the Chief Executive Officer and preparing and submitting a report for inclusion in annual continuous disclosure documents as required.

Audit, Finance and Risk Committee

People & Governance Committee

The People & Governance Committee reviews and makes recommendations to the Board concerning the compensation of the Corporation’s directors, officers and employees, which includes the review of the Corporation’s executive compensation and other human resource philosophies and policies, the review and administration of the Corporation’s bonuses, stock options and any share purchase plan, the review of and recommendations regarding the performance of the Chief Executive Officer and preparing and submitting a report for inclusion in annual continuous disclosure documents as required. The People & Governance Committee is responsible for recommending to the Board new director nominees and for assessing current directors on an ongoing basis. The People & Governance Committee is also responsible for reviewing Corporation’s response to and implementation of the guidelines set forth from time to time by any applicable regulatory authorities.

Technical Committee

The Technical Committee is responsible for overseeing all of the technical aspects of the Corporation’s mineral properties, including material exploration, development, permitting, and mining operations.

ESG Committee

The ESG Committee advises and supports the Chief Executive Officer in determining and implementing the Corporation’s wide range environmental and social sustainability initiatives, based on the selected sustainable development goals for each of the two aspects of ESG: “E” environmental and “S” social. The key initiatives of the ESG Committee are: (i) establishing the Investment Agency which encompasses the coordination of the social programs of the Corporation; and (ii) overseeing strategy and coordinating with the Technical Committee to drive the Corporation to its ambitious net zero 2024 targets (measured as emissions minus carbon credits), within this Decade of Action and 26 years ahead of United Nations’ 2050 targets.

Assessments

The Board is responsible to assess, on an ongoing basis, its overall performance and that of its committees. The objective of this review is to contribute to a process of continuous improvement in the Board’s execution of its responsibilities. The review will identify any areas where the directors of the Corporation or management believe that the Board could make a better collective contribution to overseeing the affairs of the Corporation. The Board is also responsible for regularly assessing the effectiveness and contribution of each director, having regard to the competencies and skills each director is expected to bring to the Board.

Term Limits

The Corporation has not instituted director term limits. The Corporation believes that in taking into account the nature and size of the Board and the Corporation, it is more important to have relevant experience than to impose set time limits on a director's tenure, which may create vacancies at a time when a suitable candidate cannot be identified and as such would not be in the best interests of the Corporation. In lieu of imposing term limits, the Corporation regularly monitors director performance through annual evaluations and regularly encourages sharing and new perspectives through regularly scheduled Board meetings, meetings with only independent directors in attendance, as well as through continuing education initiatives. On a regular basis, the Corporation analyzes the skills and experience necessary for the Board and evaluates the need for director changes to ensure that the Corporation has highly knowledgeable and motivated Board members, while ensuring that new perspectives are available to the Board.

Designated Group Representation in Management and on the Board

The Corporation extends opportunities to all internal personnel and outside candidates, without distinction as to gender, race, colour, religion, sexual orientation, family or marital status, political belief, age, national or ethnic origin, citizenship, disability, or any other basis and strives for diversity of experience, perspective and education. The Corporation encourages representation of "designated groups" (being women, Indigenous peoples (First Nations, Inuit and Métis), persons with disabilities, and members of visible minorities) on the Board and in executive officer positions. Although the Corporation currently does not yet have a written policy relating to designated group representation, the Corporation has considered the level of designated group representation in its executive officer positions and on the Board in previous nominations.

For the period ended on June 30, 2026, the Corporation had five Board members, two of whom are women (40% in percentage terms), and two executive officers, one of whom is a woman (50% in percentage terms), being the Co-Chair and Chief Executive Officer of the Corporation. The directors nominees are a total of five, two of whom are women (40% in percentage terms).

The Corporation's focus has always been, and will continue to be, working to attract the highest quality executive officers and Board candidates with special focus on the skills, experience, character and behavioural qualities of each candidate.

AUDIT, FINANCE AND RISK COMMITTEE

The purpose of the Corporation's Audit, Finance and Risk Committee is to provide assistance to the Board in fulfilling its legal fiduciary obligations with respect to matters involving the accounting, auditing, financial reporting, internal control and legal compliance functions of the Corporation. It is the objective of the Audit, Finance and Risk Committee to maintain free and open means of communications among the Board, the independent auditors and the financial and senior management of the Corporation.

Pursuant to NI 52-110, the Corporation is required to disclose certain information with respect to its Audit, Finance and Risk Committee. Such information can be found under the heading "*Audit, Finance and Risk Committee Information*" in the most recent annual information form of the Corporation dated March 30, 2026, as filed by the Corporation on SEDAR+ at www.sedarplus.ca.
